

**Expert Task Group on Pavement Preservation  
Sheraton Ball Harbour  
Bal Harbour, FL  
March 1, 2005**

**Agenda**

**8:30 am Call to Order** – Jim Sorenson, FHWA, Dennis Jackson, KBA

- **Introductions**
- **Welcome to New PP ETG Members and Guests**
- **Review and Approval of Meeting Minutes (September 15, 2004)**
- **Upcoming Federal Highway Bill – What’s in it? What’s not? What can we expect?**  
– Jim Sorenson
- **Five Year Strategic Plan Task Force Reports**
  - **Pavement Preservation Acceptance & Implementation Task Force**  
Jerry Geib, MN DOT, (Task Force Chair) - reporting
    - Review final drafts of the Pavement Preservation Technical Advisory
    - With the Transportation Curriculum Coordination Council, review ideas for and scope of training courses (certification level) and curriculum (see 20-07 for needs).
    - Define roles and responsibilities of the ETG. (see Tom K. FPP-NCPP story).
  - **Research Programs Task Force**  
Keith Herbold, FHWA, (Task Force Chair) - reporting
    - Provide technical advice as needed to research efforts of NCPP
    - Support NCHRP problem statements
      - Review problem statements and recommend which problem statements should be supported by P<sup>2</sup> interests
      - Report recommendations to ETG and request lobbying efforts on behalf of the of the problem statement to the voting members of the Research Advisory Committee
    - Review status of previous problem statements at NCHRP to see if stumbling blocks can be identified (Harold Von Quintas volunteered)
  - **Identify and Address Customer Needs Task Force**  
Gary Hildebrand, Telfer/WFC, (Task Force Chair) - reporting
    - Identify and categorize ETG customers – City, County, and State
    - Survey agencies and industry groups – Will analyze existing survey to determine if new survey is needed
      - If a new survey is needed, look at differences between existing surveys and new surveys and develop a new draft survey by the next meeting
    - Develop a list of pavement preservation stakeholders (such as associations, federal, state, local and military agencies, and private management firms)
    - Encourage knowledge sharing from stakeholders to ETG

○ **Support Pavement Preservation Centers, Regional, and State Organizations**

**Task Force**

Lita Davis (Task Force Chair) - reporting

- **Knowledge sharing**
  - **Obtain Power Point presentations from pavement preservation associations to put on websites (FP2, NCPP and/or FHWA)**
  - **Provide FP<sup>2</sup> conference schedules in USA and other countries**

○ **Integration of Pavement Preservation into PMS Task Force**

David Peshkin, APT, (Task Force Chair) - Reporting

- **Develop a scope of work to examine the relationship between measures of construction quality and the need for, and feasibility of, pavement preservation.**
- **Develop a scope of work for an engineering guide for the selection and implementation of preventive maintenance treatments as part of a pavement management system.**
- **Support the roll-out of PM 4 (NHI Course 131104, Pavement Preservation: Integrating Pavement Preservation Practices and Pavement Management through hosting of a workshop, either in the northeast or at the next PP ETG.**

• **Old Business – Dennis Jackson, Co-Chair, FP2**

○ **Activities Updates**

- **TXDOT Chip Seal over Geotextile Fabric Project – Luis Rodriguez, FHWA**
- **NCPP Status Report – Larry Galehouse, NCPP**
- **Pavement Preservation Partnerships Update – Larry Galehouse, NCPP**
- **Update on document clarifying the roles on working relationships among ETG, NCPP and FP2 – Larry Galehouse, NCPP**
- **20-7 (Task 184) Status Report – David Peshkin, APT**
- **NCHRP 14-14 Status Report - David Peshkin, APT**
- **NHI Pavement Preservation Training Courses – David Peshkin, APT**
- **HIR Pocket Checklists – Todd Thomas, Koch**
- **Development of a website for pavement preservation research needs statements – Todd Thomas, Koch and Lita Davis**
- **Recognition Awards for PP Excellence – Jerry Geib, MN DOT**
- **Caltrans Task Group on Pavement Preservation Update – Shakir Shatnawi, Caltrans and Gary Hildebrand, Telfer/WFC, Chris Newman, FHWA**
- **Update on the Inter Agency Agreement between FHWA/NHI and the US Office of Personnel Management Training and Management Assistance Program regarding the Caltrans MTAG computer based training – Chris Newman, FHWA and Shakir Shatnawi, Caltrans**
- **Update on Sealer/Binder Study – Dennis Jackson**
- **Progress on Action Items from September 2004 Meeting – Dennis Jackson**

**12:00-1:30 Working Lunch** (on site)

- **New Business** – Jim Sorenson and Dennis Jackson
  - **Midwestern Pavement Preservation Partnership** – Larry Galehouse, NCPP and Keith Herbold, FHWA
  - **Pavement Preservation Partnership in the West** – Shakir Shatnawi, Caltrans
  - **ETG Subcommittees – Strategies used to accomplish short and long term goals** – Lita Davis and Jerry Geib, MN DOT
  - **Possibility of Rotating ETG Subcommittee Team Leaders** – Jerry Geib, MN DOT
  - **Whitetopping Presentation** – Colin Franco, RI DOT
  - **Pavement Preservation within the context of Total System Preservation** – Colin Franco, RI DOT
  - **Quiet Pavement update on European testing using the Sound Intensity methodology** – Shakir Shatnawi, Caltrans
  - **NHI Course #4**
    - **Efforts to reach out to State and Local Agencies** – Lita Davis
    - **Debrief of course presented on February 28** – David Peshkin, APT
  - **ETG Support of Regional and State Organizations – what should we do to support them?** – Dennis Jackson
  - **ETG Representation from NACE and APWA** – Jim Sorenson
  - **Pavement Preservation and Public-Private Partnerships** – Steve Mueller
- **Subcommittee Meetings and Reporting** – ETG Subcommittees
- **Future Activities** – ETG Members
  - **Next ETG Meeting**

**5:00 pm Adjourn**
