## Refund and Cancellation Policies

**Changes:** Please confirm the date and location of the conference by checking our website for updates: <http://www.techtransfer.berkeley.edu/pavementpres>.

**Cancellations:** The Technology Transfer Program reserves the right to cancel any class or event. Cancellations are very rare, occurring 7-10 business days before the event is scheduled to begin. Fees will be refunded or credited. However, the University and the Technology Transfer Program cannot be held liable for loss of accommodation or travel deposits or fares due to cancellation. In the event of a cancellation, registered participants will be contacted and a notice will be posted on the website.

**Refunds, Credits, and Substitutions:** To cancel your enrollment and receive a refund less a \$40 processing fee, you must notify the registrar at least two weeks before the conference is scheduled to begin. Notification must be made in writing by fax or e-mail. If you have paid by check, we will need your agency/company fed tax id # in order to process a refund. We are able to process a credit to your credit card within 60 days of your initial enrolment. After the 60 days, we may issue you a check instead. In lieu of canceling, you may send a substitute in your place. Please notify our Registrar of a substitution at least three working days before the event is scheduled to begin.

Contact our Registrar by phone (510-665-3466), fax (510-665-3564), or email ([registrar@techtransfer.berkeley.edu](mailto:registrar@techtransfer.berkeley.edu)).

**Access:** All Tech Transfer sponsored classes and events meet in barrier-free buildings. If you have other special needs, please notify the registrar at least three weeks before the class or event begins.
