In-Place Recycling Conference Information

What is the In-Place Recycling Conference?

The In-Place Recycling Conference is a Western States regional forum of pavement professionals representing State Agencies, Contractors, Suppliers, Consultants, Academia, Local, MPO's and Federal Government Officials, all working together to take advantage of the synergy to be gained from sharing information and identifying common issues for further investigation. The Conference will provide a forum to share and publicize information describing improvements in research, design, specifications, materials and construction practices, and to promote the cost benefits of In-Place Recycling through education and application. The conference will include a site visit.

When and where will the Conference be held?

The conference will be held in Ontario, California starting at 1 p.m. on Tuesday, September 11, 2012 and concluding at Noon on Thursday, September 13, 2012.

Who Should Attend?

State Agencies, Contractors, Suppliers, Consultants, Academia, Local, MPO's and Federal Government Officials interested in sustainable cost-effective and long lasting alternatives.

How do I Register for the In-Place Recycling Conference?

Please visit the National Center for Pavement Preservation website for additional information. There will be an official announcement from the NCPP at a later date.
