Caitlin Kalicak graduated from Missouri University of Science and Technology in late 2012 with a Bachelor of Science degree in Civil Engineering. Caitlin started with Byrne & Jones in early 2013 as an Operations Assistant for the Paving Division. She has also held the title of Project Engineer, Project Manager, and Estimating Manager within the company. Caitlin has recently been promoted to the General Manager of the Microsurfacing Division and is responsible for sales, project management, and operations.
