Northeast Pavement Preservation Partnership Annual Meeting November 8-10, 2011

What is the Northeast Pavement Preservation Partnership (NEPPP)?

The Northeast Pavement Preservation Partnership is a regional forum of pavement professionals from State and Provincial Agencies, Contractors, Suppliers, Academia, Local and Federal Government Officials, all working together to take advantage of the synergy to be gained from sharing information and identifying common issues for further investigation. It provides a forum to share and publicize information describing improvements in research, design, specifications, materials and construction practices, and to promote the benefits of Pavement Preservation through education and application. This year there will be four major themes running through the meeting: national/international perspective, environment, pavement management, and specific technical presentations.

Where will the Partnership Meeting be held?

The partnership meeting will be held in Boston, Massachusetts at the Courtyard Boston Downtown/Tremont.

Non-Invitational Travelers, please make your room reservations directly by contacting the hotel at 617-426-1400 or 800-321-2211 and ask for the "MSUMSUA" block. The cut-off date for the reduced rate of \$184.00/night is October 18, 2011. FHWA travelers needing federal per-diem rates should contact the NCPP at 517-432-8220 for further information.
