# 2015 Western Bridge Preservation Partnership Meeting

**What is TSP-2?** The Transportation System Preservation Technical Services Program (TSP-2) was initiated as an efficient means to disseminate information to AASHTO member agencies for preserving their highway infrastructure, including both pavements and bridges. Its principal mission is to serve as a clearinghouse with comprehensive and up-to-date information on efficient and effective preservation measures that enhance highway performance and extend useful life.

**What is the Western Bridge Preservation Partnership (WBPP)?** The Western Bridge Preservation Partnership is a regional forum comprised of bridge practitioners from State and Local Agencies, Contractors, Consultants, Suppliers, Academia, and Federal Government Officials in a sharing of bridge preservation practices throughout the Western Region. The gathering provides a forum to discuss bridge preservation strategies - including treatments; management; inspection; improvements in research, design, specifications, and materials; and to promote the benefits of Bridge Preservation through education and application.

**Membership Benefits:** You are encouraged to become a member of the WBPP, but membership is not required to attend the meeting. Below is an explanation of membership categories, benefits, and costs as well as non-member information.

**State and Provincial members** through the AASHTO TSP-2 yearly, voluntary contribution will receive travel, lodging, registration, and expense reimbursement for two participants who will also be eligible to vote and serve as officers. If more than two people would like to attend from your state the additional registration fee is \$300 per person.

**Local and Federal Government Officials and Academic members** will become automatic members with paid registration at the rate of \$300 per person. You will also be eligible to serve as officers and cast one vote on issues being considered at the business meeting.

**Industry members** will each receive one paid exhibitor display space, paid registration for two participants who will also be eligible to serve as officers, and cast one vote on issues being considered at the business meeting. National membership in the Bridge Preservation Partnerships allows these benefits at each regional partnership meeting. Regional membership in the Bridge Preservation Partnership allows these benefits for this meeting only.

**Member organizations** may register additional participants for \$300/person.

**Non-member organizations** may register participants at \$625/person and purchase one exhibitor space for \$700.

**When and where will the Partnership Meeting be held?** The partnership meeting will be held May 18-20, 2015 in Portland, Oregon at the Red Lion Hotel on the River, located at 909 N. Hayden Island Drive, a convenient location providing many restaurant options and sightseeing opportunities. Dress is business casual.
