AASHTO TSP2

2023 Southeast Bridge Preservation Partnership Annual Meeting

What is TSP-2? The Transportation System Preservation Technical Services Program (TSP-2) was initiated as an efficient means to disseminate information to AASHTO member agencies for preserving their highway infrastructure, including both pavements and bridges. Its principal mission is to serve as a clearinghouse with comprehensive and up-to-date information on efficient and effective preservation measures that enhance highway performance and extend useful life.

What is the Southeast Bridge Preservation Partnership (SEBPP)? The Southeast Bridge Preservation Partnership is a regional forum comprised of bridge practitioners from State, Local and Federal Government Agencies, Contractors, Consultants, Suppliers, and Academia where bridge preservation practices throughout the Southeast Region are shared. You are encouraged to become a member of the SEBPP, but membership is not required to attend the 2023 annual meeting.

State transportation agencies: through the AASHTO TSP-2 yearly, voluntary contribution, state member agencies may send two participants and receive travel, lodging, registration, and miscellaneous expense reimbursement for the two attendees.

Local agencies: for payment of a \$2,750 fee, local agencies receive a one-year membership and may send one participant and receive travel, lodging, registration, and miscellaneous expense reimbursement for that one participant to attend the 2023 annual meeting.

Industry members will each receive one paid exhibitor display space with table plus paid registration for two participants who will also be eligible to serve as officers. Elected industry officers may cast one vote on issues being considered at the business meeting. National membership for 2023 in the Bridge Preservation Partnerships allows these benefits at each of the four 2023 regional partnership meetings. Regional membership in the Southeast Bridge Preservation Partnership allows these benefits for this meeting only. **Optional Industry Sponsorships. See industry registration page for details.**
