

LaDOTD is creating a Standard Operating Procedure Manual- does anyone have an example of one they'd be willing to share?

LaDOTD is revising the  
Pavement Preservation Design  
Standards- does anyone have  
Standards they'd be willing to  
share?

An aerial photograph of a multi-lane highway stretching into the distance, flanked by green fields. A large black rectangular area is superimposed over the center of the image, containing white text. At the bottom of the image, a single white dashed line is visible on the road surface.

LaDOTD is creating a “Highway Network Health” index so Districts will know impact on system due to projects being selected.
